“I MUST, I MUST, I MUST AVOID ALDSWORTH”

Here at Stone Barn we have a little Mantra...

PLEASE, follow the instructions on this pamphlet - they will bring you in from the north and therefore AVOID THE VILLAGE OF ALDSWORTH. From most places this is the quickest route anyway. However, we have promised, and so have your hosts, to keep all the wedding traffic away from the village of Aldsworth. It is on this condition that we are allowed to operate and we need your help to do this.

We'd all rather jump in the car, put a postcode in the Sat Nav and hit the road.

Let's face it, instructions are dull!

Directions are the same as if you were travelling by car but remember our catchphrase - "AVOID ALDSWORTH" We can provide secure storage for your bicycle inside our building.

~ TRAVELLING BY HUMBLE BICYCLE ~

The taxi rank at Kemble is not often manned and there isn't one at Charlbury, so you will have to book ahead. See Travelling by Taxi and PLEASE AVOID ALDSWORTH.
